Fiberon® composite is today's solution for decking projects. Fiberon® combines the rich color and natural grain of wood with the long-lasting durability of composite technology.

All-Coast offers two outstanding Fiberon® decking choices:

Fiberon® Tropics

simulates the beauty of tropical hardwoods
www.pvainteractive.com/Fiberon/products/Tropics.asp

Fiberon® Professional

in four classic colors, including Cedar
and Redwood

Fiberon® Railing

sculpted top rails and elegant bottom rails
create a traditional look and balance

www.pvainteractive.com/Fiberon/products/proRailing.asp

Low-maintenance Fiberon® installs smoothly—no splinters, no cracks—and retains its color and shape against the elements. Fiberon's micro-DOME technology resists scratches, providing beauty that lasts for years.
