SOLID SAWN

TIMBER

When you see the All-Coast Genuine Solid Sawn Timber seal, you know you're buying the finest in lumber products. We only place All-Coast's Genuine trademark on authentic solid sawn timbers cut from whole logs of Douglas Fir, Redwood, and Western Red Cedar. Our label assures you of the famous All-Coast quality specified by architects, engineers, and design professionals throughout the West for unparalleled structural integrity, versatility, and natural beauty.

The All-Coast Genuine mark is backed by our 30-plus years of experience in producing and distributing superior lumber and building materials. We support our products with the highest level of expertise and customer service. Whatever your lumber size and length requirements, All-Coast can fill your order from inventory or custom-cut to specifications as needed. So look for the All-Coast Genuine seal—it's the mark of confidence that you're getting the real wood products you need.

All-Coast is your one-stop building materials resource, serving ten western states.

We are wholesale only. To place an order, please call your local distributor or, if you are a distributor, call the All-Coast representative nearest you. **Visit our web site at www.all-coast.com.**
