### ***Corbels & Knee Braces***

Among the milling services offered by All-Coast is our ability to put "details" on the ends of Douglas Fir, Western Red Cedar, and Redwood timbers, as well as on Glu Lam Beams. We offer hand-hewn timber in addition to the following standard patterns of corbels and knee braces:

*We can also provide corbel and knee  
brace services for those customers  
who have their own detail designs.*

*For top quality products, look for the All-Coast Genuine seals.*
